Personal Statement

Business and Management graduate with experience managing B2B customer accounts, resolving service issues and delivering high levels of client satisfaction within a b2b commercial environment. Skilled at building long-term customer relationships, managing escalations, improving service delivery and working with internal stakeholders to ensure contractual commitments are consistently met.

Work History

ELIS, Lutterworth

August 2025 - Current

Account Executive

- Manage a portfolio of B2B customer accounts, acting as the primary point of contact to build strong client relationships, resolve service issues and maintain high levels of customer satisfaction.
- Investigate and resolve customer complaints, billing queries and service escalations, working closely with finance, operations and logistics teams to deliver timely solutions and positive customer outcomes.
- Coordinate with operational teams to ensure contractual service commitments are met, proactively communicating updates to customers and managing expectations throughout the service process.
- Produce quotations, process account amendments and calculate early termination values while ensuring commercial accuracy and compliance with agreed customer contracts.
- Analyse customer account information and operational performance using Microsoft Excel and Microsoft Dynamics AX to support informed business decisions and improve service delivery.
- Support credit control activities by managing outstanding balances, investigating account discrepancies and maintaining accurate customer records across a large commercial portfolio.
- Build long-term customer relationships through proactive communication, problem solving and a customer-first approach, contributing to customer retention and ongoing account growth.

Aston University, Birmingham

June 2024 - August 2024

Student Project Officer

- Maintained project documentation and administrative records, supporting accurate reporting across multiple workstreams.
- Assisted with planning, scheduling and communication across multiple stakeholders.
- Produced reports and documentation to support project delivery and monitoring.

Showsec, Birmingham

Dec 2021 – Jan 2023

Events Steward

- Delivered customer-facing support while maintaining compliance with venue procedures.

- Assisted with incident reporting and event operations across high-capacity venues.
