Personal Statement

Business & Management graduate with experience managing B2B customer accounts, building long-term client relationships and delivering business solutions. Skilled in account management, stakeholder communication, project coordination and performance reporting, with experience working across finance, operations and customer service teams. Passionate about developing strong client partnerships, identifying commercial opportunities and delivering exceptional customer outcomes within a Graduate Account Manager role.

Work History

ELIS, Lutterworth

August 2025 - Current

Account Executive

- Manage a portfolio of B2B customer accounts, acting as the primary point of contact to build strong relationships, understand customer requirements and deliver high levels of customer satisfaction.
- Develop and maintain long-term client relationships by resolving complex account queries, providing proactive communication and ensuring customer expectations are consistently met.
- Prepare quotations, pricing proposals and contract amendments while identifying opportunities to strengthen customer relationships and support account growth.
- Coordinate activities across finance, operations and logistics teams to ensure timely delivery of customer solutions and successful project outcomes.
- Produce Excel-based reports and account performance information to support business decisions and communicate updates to stakeholders.
- Investigate service issues, invoice queries and operational challenges, recommending appropriate solutions that improve customer experience and retention.
- Maintain accurate customer records and commercial information within Microsoft Dynamics AX, ensuring data integrity and efficient account management.

Aston University, Birmingham

June 2024 - August 2024

Student Project Officer

- Coordinated multiple project activities across internal stakeholders, supporting successful project delivery through effective planning, organisation and communication.
- Produced project reports, maintained documentation and monitored progress across multiple workstreams.
- Worked collaboratively with internal teams to manage priorities, improve communication and ensure project objectives were delivered successfully.

Showsec, Birmingham

Dec 2021 – Jan 2023

Events Steward

- Delivered customer-facing support while maintaining compliance with venue procedures.
- Assisted with incident reporting and event operations across high-capacity venues.
