Personal Statement

Business and Management graduate with finance experience supporting credit control, customer accounts, invoicing, financial administration and reporting within an international organisation. Seeking to progress into a Finance Assistant role supporting sales ledger, purchase ledger and wider finance operations.

Work History

ELIS, Lutterworth

August 2025 - Current

Account Executive

- Support sales ledger activities by maintaining customer accounts, raising invoices, allocating credits, resolving billing discrepancies and monitoring outstanding balances.
- Produce credit notes, billing adjustments and manual invoices while maintaining accurate financial records across internal finance systems.
- Calculate early termination charges, residual contract values and account balances to support commercial and financial business decisions.
- Investigate invoice discrepancies, service issues and account queries, coordinating with finance and operational teams to achieve accurate resolutions.
- Prepare quotations for contract renewals and service amendments, ensuring pricing accuracy.
- Produce Excel reports to monitor customer accounts and financial activity.
- Maintain accurate customer and financial records using Microsoft Dynamics AX and internal ERP systems.
- Support colleagues across finance and operations by resolving account queries and maintaining high levels of administrative accuracy.

Aston University, Birmingham

June 2024 - August 2024

Student Project Officer

- Coordinated student engagement activities while maintaining accurate records and supporting project administration.
- Assisted with planning, scheduling and communication across multiple stakeholders.
- Produced reports and documentation to support project delivery and monitoring.

Showsec, Birmingham

Dec 2021 – Jan 2023

Events Steward

- Delivered customer-facing support while maintaining compliance with venue procedures.
- Assisted with incident reporting and event operations across high-capacity venues.
