Personal Statement

Business and Management graduate with finance experience managing customer accounts, credit control, invoicing, contract calculations and financial reporting within an international service organisation. Seeking to progress into a broader finance role with responsibility for financial operations, reporting and business support.

Work History

ELIS, Lutterworth

August 2025 - Current

Account Executive

- Manage a portfolio of customer accounts, taking ownership of outstanding balances, credit control activities and payment recovery to improve cash collection.
- Produce credit notes, billing adjustments and contract calculations, including early termination and residual value assessments, ensuring accurate financial outcomes.
- Investigate invoice disputes, service failures and delivery discrepancies by coordinating with operational teams to resolve customer and financial issues.
- Prepare quotations for contract renewals and service amendments while maintaining accurate financial and customer records.
- Analyse customer account data using Excel and internal finance systems to support account decisions and reporting.
- Liaise with customers, operations and logistics teams to resolve account issues while maintaining service standards.
- Support daily finance administration including invoicing, account maintenance and transaction management across multiple customer accounts.
- Balance reactive finance administration with proactive customer account management within a business-to-business environment.

Aston University, Birmingham

June 2024 - August 2024

Student Project Officer

- Coordinated student projects across multiple stakeholders, ensuring activities were delivered to agreed timescales.
- Maintained project documentation, monitored progress and provided administrative support throughout delivery.
- Produced reports and communicated updates to university staff and project participants.

Showsec, Birmingham

Dec 2021 – Jan 2023

Events Steward

- Delivered customer-facing operations at major sporting and entertainment events while maintaining safety procedures.
- Worked within large operational teams to resolve issues efficiently in high-pressure environments.
