Personal Statement

Business and Management graduate with commercial finance and administration experience supporting credit control, invoicing, customer accounts and financial reporting within a multinational organisation. Experienced in maintaining accurate financial records, resolving account discrepancies, producing management reports and working with finance, operations and customer service teams. Proficient in Microsoft Excel and Microsoft Dynamics AX, with a strong attention to detail and a desire to develop a career within finance.

Work History

ELIS, Lutterworth

August 2025 - Current

Account Executive

- Supported credit control activities by managing a portfolio of customer accounts, chasing outstanding payments, producing credit notes and maintaining accurate financial records to support cash collection and account accuracy.
- Calculated balance of contract values, residual values and early termination charges, applying commercial judgement to ensure accurate billing adjustments and financial account amendments.
- Investigated invoice, billing and service queries, working closely with finance, operations and logistics teams to reconcile account information and resolve customer account discrepancies.
- Created customer quotations, processed account amendments and maintained accurate financial and customer records using Microsoft Dynamics AX, ensuring data accuracy across multiple transactions.
- Produced Excel reports to monitor operational performance, financial activity and service delivery using Pivot Tables, Lookups and reporting functions.
- Managed a high volume workload across customer service, finance administration and operational support while prioritising competing deadlines and maintaining excellent accuracy.

Aston University, Birmingham

June 2024 - August 2024

Student Project Officer

- Maintained project documentation and administrative records, supporting accurate reporting across multiple workstreams.
- Assisted with planning, scheduling and communication across multiple stakeholders.
- Produced reports and documentation to support project delivery and monitoring.

Showsec, Birmingham

Dec 2021 – Jan 2023

Events Steward

- Delivered customer-facing support while maintaining compliance with venue procedures.
- Assisted with incident reporting and event operations across high-capacity venues.
