Personal Statement

Business and Management graduate with experience coordinating operational activities, supporting logistics, resolving service disruptions and managing customer accounts within a multinational organisation. Experienced in liaising with drivers, sales, logistics and finance teams to maintain service delivery, optimise routes and support operational objectives.

Work History

ELIS, Lutterworth

August 2025 - Current

Account Executive

- Act as the primary operational contact for delivery drivers, providing day-to-day support, resolving operational issues and conducting driver debriefs.
- Coordinate operational service recovery by reallocating nearby drivers to resolve missed deliveries and service failures, minimising disruption and maintaining customer satisfaction.
- Review and optimise delivery routes in collaboration with drivers to improve operational efficiency and support effective resource utilisation.
- Liaise daily with logistics, sales and finance teams to resolve operational challenges, investigate service issues and maintain contractual accuracy.
- Calculate early termination charges, residual contract values and financial adjustments to support business decisions and customer retention.
- Produce credit notes, billing adjustments and account corrections while maintaining accurate financial records.
- Support credit control activities by investigating outstanding balances, resolving billing discrepancies and maintaining customer account information.
- Produce operational and financial reports using Microsoft Excel to support performance monitoring and meeting business goals.
- Prepare quotations, contract amendments and pricing changes to support customer retention and commercial growth.

Aston University, Birmingham

June 2024 - August 2024

Student Project Officer

- Maintained project documentation and administrative records, supporting accurate reporting across multiple workstreams.
- Assisted with planning, scheduling and communication across multiple stakeholders.
- Produced reports and documentation to support project delivery and monitoring.

Showsec, Birmingham

Dec 2021 – Jan 2023

Events Steward

- Delivered customer-facing support while maintaining compliance with venue procedures.
- Assisted with incident reporting and event operations across high-capacity venues.
